

## TO OUR VALUED CUSTOMER

Please be advised US Customs is currently phasing a **NO DOCUMENTS, NO LOAD** procedure for **ALL EXPORTS** from the United States. Effective immediately, presentation of late documents may result in your cargo not being loaded and may result in penalties.

All IMO Cargo must be at Island Terminal at least 24 hours prior to the loading of the vessel. IMO information must be shown on your Bill of lading. The vessel must have all IMO information and Cargo Manifest before Cargo Operations commences. Failure to do so, will result in your cargo being rolled to the next available vessel.

We look forward to your continued support, and thanks for utilizing the services of Bernuth Lines.
